## Lighthouse Pregnancy Resource Center

### Statement of Principle

1. Lighthouse PRC is an outreach ministry of Jesus Christ through His Church. Therefore, Lighthouse PRC, embodied in its volunteers, is committed to presenting the gospel our or Lord to women and couples with crisis pregnancies- both in word and deed. Commensurate with this purpose, those who labor as Lighthouse PRC board members, directors and volunteers are expected to know Christ as their Savior and Lord.
2. Lighthouse PRC is committed to providing its clients with accurate and complete information and both prenatal development and abortion.
3. Lighthouse PRC is committed to integrity in dealing with clients, earning their trust, providing promised information and services, and having nothing to do with any form of deception in its corporate advertising or individual conversations.
4. Lighthouse PRC is committed to assisting women to carry to term by providing emotional support and practical assistance. Through the provision of God's people and the community at large, women my face the future with hope and plan constructively for themselves and their babies.
5. Lighthouse PRC does not discriminate in providing services because of race, creed, color, national origin, age, or marital status of clients.
6. Lighthouse PRC does not recommend, provide, or refer for abortions.
7. Lighthouse PRC offers assistance free of charge at all times.
8. Lighthouse PRC is committed to creating awareness within the local community of the needs of pregnant women and of the fact that abortion only compounds human need rather than resolving it.
9. Lighthouse PRC does not recommended, provide or refer single women for contraceptives. (Married women seeking contraceptive information should be urged to seek counsel, along with their husbands, from their pastor or physician.)
10. Lighthouse PRC recognizes the validity of adoption as one alternative to abortion, but is not biased towards adoption when compared to the other life-saving alternatives. Centers are independent of adoption agencies, relating to them in the same manner as to other helpful referral sources. Lighthouse PRC receives no payments of any kind from these agencies, does not enter into contractual relationships with the agencies, and does not share combined office space. Adoption agencies are not established under the auspices of the center. Lighthouse PRC neither initiates nor facilitates independent adoptions, though they may refer for independent adoption in a state where it is legal.
